This executive summary of the School Accountability Report Card (SARC) is intended to provide parents and community members with a quick snapshot of school accountability. The data presented in this report are reported for the 2007-08 school year, except the School Finances and School Completion data that are reported for the 2006-07 school year. For additional information about the school, parents and community members should review the entire SARC or contact the Executive Director.

INTRODUCTION

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

ABOUT THE SCHOOL

Mission Statement

To create a dynamic and meaningful learning experience where children with Autistic Spectrum Disorder (ASD) develop skills that support learning, an understanding of others, and an ability to become independent in all areas of their daily lives, and to serve as a professional resource for practitioners in the field of ASL by serving as a progressive educational model for all students with ASD.

Wings Learning Center is a non-profit organization under IRS Section 501©(3) FIN 94-3385745

DATA AND ACCESS

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

SCHOOL FACILITIES

School facilities are maintained by the Burlingame School District, on whose premises Wings Learning Center resides. When building repairs are necessary, work orders are placed to ensure efficient processing. Surface cleaning of the interior of the building are maintained by an outside janitorial staff. The school is in good repair and working order.

The Wings Learning Center campus consists of three classrooms, rooms to provide therapy services, and an administrative office. It is a secure campus that has a fenced in yard where students can be closely supervised.

SCHOOL SAFETY PLAN

Wings Learning Center has adopted a comprehensive Disaster Plan, in which all staff is trained at least annually. The plan has been written to encompass most potential emergency situations on the school campus. Situations may occur where standard methods and practices may be modified for such circumstances. However, in the event of a disaster, Wings Learning Center has two main emergency management goals which are: (1) provide effective life safety measures and reduce property loss and (2) provide for the rapid resumption of impacted academic school-related activities and services.
