

Position: Special Education Teacher

About Wings Learning Center:

Established in 2001, Wings Learning Center is dedicated to creating a nurturing environment where students with Autism Spectrum Disorder (ASD) can achieve personal growth and learn at their own pace. As a California Department of Education-certified specialized school, we serve students aged 5 to 22 with ASD and related developmental differences. Our commitment includes continuous staff development and the integration of effective therapies and emerging technologies to ensure student success.

Hiring Bonus: Up to \$5,000

Job Overview:

We are seeking a passionate Special Education Teacher to instruct functional academic skills to students with moderate Autism Spectrum Disorder. If you are dedicated to making a positive impact in the lives of children and their families, we invite you to join our team.

Responsibilities:

- Design and implement individualized educational programs tailored to each student's needs.
- Collaborate with a multidisciplinary team, including Education Specialists, Occupational Therapists, Speech Therapists, and administrative support.
- Evaluate and prepare progress reports, Individual Education Plans (IEPs), Behavior Support Plans, Individual Transition Plans, and complete SCIA packets.
- Supervise Senior Instructional Assistants and Instructional Assistants.

Qualifications:

- Valid California Education Specialist Teaching Credential with Moderate/Severe authorization or Mild/Moderate with an Autism Authorization.
- Candidates enrolled in a Special Education program with intern eligibility will also be considered.

Benefits:

- Competitive salary based on education and experience (\$75,000–\$95,000).
- Seven weeks of vacation, including Spring Break, Winter Break, Summer Break, legal holidays, and PTO days.
- 100% employer-paid medical and dental benefits; vision benefits available.
- 401(k) plan with employer contribution.
- Ongoing professional development through workshops and seminars.
- Tuition reimbursement.
- Small class sizes with state-of-the-art curriculum and technology.
