

## OPPORTUNITIES

### PARTNERSHIPS

1

We are proactively building partnerships within the community and seeking passionate individuals to join as board members or committee members, further strengthening our commitment to community empowerment and positive impact.

### GRANTS

2

We have recently submitted grant applications to the Atkinson Foundation, and Bothin Foundation, reflecting our dedication to securing support for our initiatives and contributing to the betterment of the community.

### SPRING EVENT

3

Join us for our upcoming spring event on April 19, 2024! We are seeking committee members, and sponsorships are available to support this exciting occasion. Save the date and be a part of an event that promises to be both impactful and memorable.

## HISTORY

In 1997, Sherman Chan and Irma Velasquez formed a team to support their son Aaron, diagnosed with autism. Recognizing his communication needs, they established WINGS in 2001, aiming to create a nurturing educational environment for autistic students in the San Francisco Bay Area.

## DOUBLE YOUR DONATION

- An anonymous donor is generously matching all contributions up to \$100,000.
- All contributions will go towards our goals of expanding our faculty, and the development of our future adult and pre-school programs.
