

## **Position:Teacher**

**Wings Learning Center** was created in 2001 with the mission of providing a learning environment where students with Autism Spectrum Disorder can be inspired towards personal growth and to learn at their own pace. We are a specialized school licensed by the California Department of Education to serve students ages 5 to 22 with Autism Spectrum Disorder and similar developmental learning differences. We provide ongoing staff development, training and support to provide the most effective therapies and emerging technologies to ensure our students' success.

### **\*Hiring Bonus of up to \$5,000!**

Great opportunity to teach functional academic skills to students with moderate Autism Spectrum Disorder. If you enjoy making a difference in the lives of children and their families, please join us!

**Responsibilities:** Design and implement a functional based education program for students with Autism Spectrum Disorder based on individual needs. Our model is collaborative with Education Specialists, Occupational Therapists, Speech Therapists and an engaged administrative support team. Evaluate and prepare progress reports, Individual Education Plans, Behavior Support Plans, Individual Transition Plans and complete SCIA packets. Supervise Senior Instructional Assistants and Instructional Assistants.

**Qualifications:** Valid Education Specialist California Teaching Credential with either a Moderate/Severe authorization or Mild/Moderate with an Autism Authorization. An intern eligible candidate enrolled in a Special Education program can also be considered.

### **Benefits:**

- Competitive salary, based on education and experience
- 7 weeks vacation including Spring Break, Winter Break, Summer Break, legal holidays paid, PTO Days
- 100% employer paid medical and dental benefits, vision benefits available
- 401(k) plan with an employer contribution
- Ongoing professional workshops and seminars
- Tuition reimbursement
- Small class sizes with State-of-the-Art Curriculum & Technology
